

Freedom High School Bands

Volunteer Participation

Your child is about to embark on the experience of a lifetime. Their participation is dependent on you – their parents(s) – to provide the necessary “behind the scenes” talents that keep this program going. Many opportunities will arise throughout the year for you to utilize your special talents to optimize their band experience. Please check your areas of interest and let us know of your willingness to assist.

Being involved is the ONLY way to be!
